## **Independent Auditors' Review Report**

To the Board of Directors of Ace Pillar Co., Ltd.:

### **Introduction**

We have reviewed the accompanying consolidated balance sheets of Ace Pillar Co., Ltd. and its subsidiaries as of June 30, 2024 and 2023, and the related consolidated statements of comprehensive income (loss) for the three months and six months then ended, as well as the consolidated statements of changes in equity and cash flows for the six months then ended, and notes to the consolidated financial statements, including a summary of material accounting policies. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard (“IAS”) 34, “Interim Financial Reporting” endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the consolidated financial statements based on our reviews.

### **Scope of Review**

We conducted our reviews in accordance with the Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” of the Republic of China. A review of the consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing of the Republic of China and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our reviews, nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of Ace Pillar Co., Ltd. and its subsidiaries as of June 30, 2024 and 2023, and their consolidated financial performance for the three months and six months then ended, as well as their consolidated cash flows for the six months then ended, in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, “Interim Financial Reporting” endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

The engagement partners on the reviews resulting in this independent auditors' review report are Kao, Ching-Wen and Chang, Hwei-Chen.

#### **Notes to Readers**

The accompanying consolidated financial statements are intended only to present the consolidated financial position, financial performance and cash flows in accordance with the accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to review such consolidated financial statements are those generally accepted and applied in the Republic of China.

The independent auditors' review report and the accompanying consolidated financial statements are the English translation of the Chinese version prepared and used in the Republic of China. If there is any conflict between, or any difference in the interpretation of the English and Chinese language independent auditors' review report and consolidated financial statements, the Chinese version shall prevail.

**Notes to the Consolidated Financial Statements**  
**For the six months ended June 30, 2024 and 2023**  
**(Expressed in Thousands of New Taiwan Dollar, Unless Otherwise Specified)**

**1. Organization and business**

Ace Pillar Co., Ltd. (the “Company”) was incorporated on March 31, 1984 as a company limited by shares under the laws of the Republic of China (“R.O.C.”) and registered under the Ministry of Economic Affairs, R.O.C. The address of the Company’s registered office is 12F., No. 558, Zhongyuan Rd., Xinzhuang Dist., New Taipei City, Taiwan (R.O.C.). The Company and its subsidiaries (collectively the “Group”) are primarily engaged in the tests, processing, sales, repairment, electromechanical integration of automation control and mechanical transmission system and intelligent technology service, the sales of semiconductor, optoelectronics and machinery equipment and equipment repair, energy technology service, as well as the sales and service of energy management products.

**2. Authorization of the consolidated financial statements**

These consolidated financial statements were authorized for issue by the Board of Directors on August 2, 2024.

**3. Application of new and revised accounting standards and interpretations**

- (a) The impact of the International Financial Reporting Standards (“IFRSs”) endorsed by the Financial Supervisory Commission, R.O.C. (“FSC”) which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2024:

- Amendments to IAS 1 “Classification of Liabilities as Current or Non-current”
- Amendments to IAS 1 “Non-current Liabilities with Covenants”
- Amendments to IAS 7 and IFRS 7 “Supplier Finance Arrangements”
- Amendments to IFRS 16 “Lease Liability in a Sale and Leaseback”

- (b) The impact of IFRS endorsed by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2025, would not have a significant impact on its consolidated financial statements:

- Amendments to IAS 21 “Lack of Exchangeability”

(Continued)

**ACE PILLAR CO., LTD. AND SUBSIDIARIES**  
**Notes to the Consolidated Financial Statements**

- (c) The impact of IFRS issued by IASB but not yet endorsed by the FSC

The following new and amended standards, which may be relevant to the Group, have been issued by the International Accounting Standards Board (IASB), but have yet to be endorsed by the FSC:

<b>Standards or Interpretations</b>	<b>Content of amendment</b>	<b>Effective date per IASB</b>
IFRS 18 “Presentation and Disclosure in Financial Statements”	<p>The new standard introduces three categories of income and expenses, two income statement subtotals and one single note on management performance measures. The three amendments, combined with enhanced guidance on how to disaggregate information, set the stage for better and more consistent information for users, and will affect all entities.</p> <ul style="list-style-type: none"> <li>● A more structured income statement: under current standards, companies use different formats to present their results, making it difficult for investors to compare financial performance across companies. The new standard promotes a more structured income statement, introducing a newly defined “operating profit” subtotal and a requirement for all income and expenses to be allocated between three new distinct categories based on a company’s main business activities.</li> <li>● Management performance measures (MPMs): the new standard introduces a definition for management performance measures, and requires companies to explain in a single note to the financial statements why the measure provides useful information, how it is calculated and reconcile it to an amount determined under IFRS Accounting Standards.</li> <li>● Greater disaggregation of information: the new standard includes enhanced guidance on how companies group information in the financial statements. This includes guidance on whether information is included in the primary financial statements or is further disaggregated in the notes.</li> </ul>	January 1, 2027

### **Notes to the Consolidated Financial Statements**

The Group is evaluating the impact on its consolidated financial position and consolidated financial performance upon the initial adoption of the abovementioned standards or interpretations. The results thereof will be disclosed when the Group completes its evaluation.

The Group does not expect the following other new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 “Sale or Contribution of Assets Between an Investor and its Associate or Joint Venture”
- IFRS 17 “Insurance Contracts” and amendments to IFRS 17 “Insurance Contracts”
- Amendments to IFRS 17 “Initial Application of IFRS 17 and IFRS 9 – Comparative Information”
- IFRS 19 “Subsidiaries without Public Accountability: Disclosures”
- Amendments to IFRS 9 and IFRS 7 “Amendments to the Classification and Measurement of Financial Instruments”
- Annual Improvements to IFRS Accounting Standards – Volume 11

#### **4. Summary of material accounting policies**

Except for the accounting policies mentioned below, the material accounting policies adopted in the consolidated financial statements are the same as those disclosed in the consolidated financial statements for the year ended December 31, 2023. (c) Classification of current and non-current assets and liabilities

The Group classifies the asset as current under one of the following criteria, and all other assets are classified as non-current.

- (i) It expects to realize the asset, or intends to sell or consume it, in its normal operating cycle;
- (ii) It holds the asset primarily for the purpose of trading;
- (iii) It expects to realize the asset within twelve months after the reporting period; or
- (iv) The asset is cash or a cash equivalent (as defined in IAS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Group classifies the liability as current under one of the following criteria, and all other liabilities are classified as non-current.

- (i) It expects to settle the liability in its normal operating cycle;
- (ii) It holds the liability primarily for the purpose of trading;
- (iii) The liability is due to be settled within twelve months after the reporting period; or
- (iv) It does not have the right at the end of the reporting period to defer settlement of the liability for at least twelve months after the reporting period.

(d) Income taxes

The income tax expenses in the interim financial statements have been measured and disclosed in accordance with paragraph B12 of IAS 34 “Interim Financial Reporting”.

Income tax expenses for an interim period are best estimated by multiplying pre-tax income for the interim reporting period by the effective annual tax rate as forecasted by the management. It is recognized fully as current tax expense for the current period.

When income tax expenses are recognized directly in equity or other comprehensive income in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases, the related amounts shall be measured based on the tax rates that have been enacted or substantively enacted at the time the asset or liability is recovered or settled.

**5. Critical accounting judgments, and key sources of estimation uncertainty**

The preparation of the consolidated financial statements in conformity with the Regulations and IAS 34 “Interim financial reporting” endorsed by FSC requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The critical accounting judgments and key sources of estimation uncertainties made by the management when preparing the interim consolidated financial statements were the same as those mentioned in the note 5 of the consolidated financial statements for the year ended December 31, 2023.

**6. Significant account disclosures**

Except for the following disclosures, there is no significant difference as compared with those disclosed in the consolidated financial statements for the year ended December 31, 2023. Please refer to note 6 of the consolidated financial statements for the year ended December 31, 2023.

Please refer to note 6(u) for the gains (losses) recognized related to financial assets measured at fair value.

(c) Financial assets at fair value through other comprehensive income — non-current

	<u>June 30, 2024</u>	<u>December 31, 2023</u>	<u>June 30, 2023</u>
Equity investments at fair value through other comprehensive income:			
Foreign unlisted stocks	\$ <u>7,936</u>	<u>8,655</u>	<u>7,312</u>

The Group designated the abovementioned investments as at fair value through other comprehensive income as these equity investments are held for strategic purposes and not for trading.

There were no disposals of the above strategic investments and no transfers of any cumulative gain or loss within equity relating to these investments for the six months ended June 30, 2024 and 2023.

(d) Financial assets measured at amortized cost

	<u>June 30, 2024</u>	<u>December 31, 2023</u>	<u>June 30, 2023</u>

(iii) Retained earnings

The Company's Articles of Incorporation stipulate that at least 10% of annual net income after deducting an accumulated deficit, if any, must be retained as a legal reserve until such retention equals the amount of paid-in capital. In addition, a special reserve should be set aside or reversed in accordance with applicable laws and regulations. The remaining balance of the annual net income, together with unappropriated earnings from previous years, if any, can be distributed as dividends after the earnings distribution plan proposed by the Board of Directors and approved during the stockholders' meeting. The abovementioned distribution of earnings by way of cash dividends could be approved by the Company's Board of Directors and then reported to the Company's shareholders in their meeting. The dividend distribution policy shall be based on the Company's needs for business operation and growth as well as capital expenditure budget. If the Company has annual earnings and the distributable earnings for the year achieve 2% of the paid-in capital, the dividend distribution shall not be less than 10% of the distributable earnings for the year, of which the percentage of cash dividends shall not be less than 20% of the total dividends for the year.

For details on notes and accounts receivable and its loss allowance, please refer to note 6(e).

The major changes in the balance of contract assets and contract liabilities arose from the timing difference between the satisfaction of performance obligation and the receipt of customer's payment.

The amounts of revenue recognized for the six months ended June 30, 2024 and 2023, which were included in the contract liabilities balance at the beginning of the period, were \$25,398 and \$65,963, respectively.

(t) Remuneration to employees and directors

The Company's Articles of Incorporation requires that earnings, which refer to income before income tax before deducting the remuneration to employees, directors and supervisors, shall first to be offset against any deficit (including any retained earnings adjustment) then a range from 2% to 20% will be distributed as remuneration to its employees and no more than 1% to its directors. The abovementioned remuneration to employees shall be paid in shares or cash and remuneration to directors shall be paid in cash.

For the three months and six months ended June 30, 2024 and 2023, the Company accrued its remuneration to employees amounting to \$247, \$78, \$258 and \$151, respectively, and the remuneration to directors amounting to \$50, \$15, \$52 and \$30, respectively. The estimated amounts mentioned above are calculated based on the income before income tax of each period (excluding the remuneration to employees and directors), multiplied by the proposed percentage of remuneration to employees and directors and are recognized as operating expenses. The difference between accrual and actual payment, if any, will be accounted for as change in accounting estimate and be recognized in profit or loss in the following year. Shares distributed to employees as employees' remuneration are calculated based on the closing price of the Company's shares on the day before the approval by the Board of Directors.

The Company did not accrue any remuneration to employees and directors for the year ended December 31, 2023 as it incurred a net loss in 2023. The estimated remuneration to employees and directors for 2022 were the same as the amount approved by the Board of Directors and were paid in cash. Related information is available at the Market Observation Post System website.

(ii) Fair value information

1) Financial instruments not measured at fair value

The Group considers that the carrying amounts of financial assets and financial liabilities measured at amortized cost approximate their fair values.

2) Financial instruments measured at fair value

The financial assets at fair value through profit or loss and the financial instruments at fair value through other comprehensive income are measured on a recurring basis. The table below analyzes financial instruments that are measured at fair value subsequent to initial recognition, grouped into Levels 1 to 3 based on the degree to which the fair value is observable. The different levels have been defined as follows:

- a) Level 1: quoted prices (unadjusted) in active markets for identified assets or liabilities.
- b) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- c) Level 3: inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

3) Valuation techniques and assumptions used in fair value measurement

a) Non-derivative financial instruments

The fair value of unlisted stock held by the Group is estimated by using the market approach and is determined by reference to net worth, operating activities and the market value of other assets and liabilities of the investee. The significant unobservable inputs is primarily the liquidity discounts. No quantitative information is disclosed due to that the possible changes in liquidity discounts would not cause significant potential financial impact.

b) Derivative financial instruments

The fair value of derivative financial instruments is determined using the valuation techniques generally accepted by market participants. The fair values of foreign currency forward contracts and foreign exchange swaps are usually determined by the forward exchange rate.

4) Transfers between levels of the fair value hierarchy

There were no transfers among fair value hierarchies for the six months ended June 30, 2024 and 2023.

5) Movement in financial assets included in Level 3 fair value hierarchy

Financial assets at fair value through other comprehensive income:

	<b>For the six months ended</b>	
	<b>June 30,</b>	
	<b>2024</b>	<b>2023</b>
Balance at January 1	\$ 8,655	1,434
Recognized in other comprehensive loss	(719)	5,878
Balance at June 30	<b>7,936</b>	<b>7,312</b>

(iii) Credit risk

Please refer to note 6(e) for credit risk exposure of notes and accounts receivable. Other financial assets amortized at cost includes other receivables, which are considered as low-credit-risk financial assets; therefore, the loss allowance are measured using 12-month ECL. Please refer to note 6(f) for ECL assessment.

(iv) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in settling its financial liabilities by delivering cash or other financial assets. The Group manages liquidity risk by monitoring regularly the current and mid- to long-term cash demand, maintaining adequate cash and banking facilities, and ensuring compliance with the terms of the loan agreements. As of June 30, 2024, December 31 and June 30, 2023, the Group had unused credit facilities of \$2,500,046, \$2,704,216 and \$2,590,502, respectively.

**14. Segment information**

The Group has four reportable segments: the Taiwan operating segment, the China operating segment, the sales and service of semiconductor equipment material segment, and the energy saving and storage segment. The Taiwan operating segment is a distributor for the sale of inverters and automation control and mechanical transmission systems in Taiwan, while the China operating segment is a distributor for the sale of mechanical transmission and automation control systems and the wholesale and retail of industrial robotics related products in China. The sales and service of semiconductor equipment material segment mainly engages in the sales of semiconductor, optoelectronics and machinery equipment in Taiwan and China. The energy saving and storage segment mainly engages in the sales and service of energy management products. The Group has other operating segments that have not yet reached the quantitative threshold, mainly engaged in the sales of mechanical transmission and automation control systems in other regions.

The classification of the segments is based on the geographical location or products and services. Each segment manages and caters to the different needs of their customers, as well as the needs of different marketing strategies, and thus, should be managed separately.

The operating segment's accounting policies are similar to those described in note 4. The Group uses income (loss) before income tax as the measurement for each segment's profit and the basis of resource allocation and performance assessment. The reporting amount is consistent with the report used by chief operating decision maker. Sales and transfer among reportable segments are recorded in line with sales to third-party customers.

The Group's operating segment information and reconciliation are as follows:
